LEE'S MARTIAL ARTS RETREAT

Bradford Woods Retreat Center

All students are invited to come and join us at our first retreat!

You have the option to attend both Friday and Saturday or Saturday only. Overnight attendees will stay in cabins at the retreat center.

We will have many classes throughout the weekend (count towards class attendance) and participate in adventure programming. It is expected to be a lot of fun with time to focus on team building and skill building.

Fill out a registration form and return it to an instructor with your deposit.
